

UGA RETIREES ASSOCIATION NEWSLETTER

Keeping Informed, Staying Involved...

University of Georgia

January 2007

Greetings from the Chair

We were happy to welcome a new group of UGA retirees to our ranks at the December Retiree Reception and to enjoy a scrumptious holiday feast and fellowship with other UGARA members (see photos, page 2). This reception will be repeated in the spring for those who retire in the second half of the year.

There are several other UGARA sponsored events to look forward to and they are featured throughout the newsletter. The travel committee has been exploring a number of opportunities for the upcoming year, both as day trips and overnight excursions.

We are mindful of several news stories reporting on Governor Purdue's possible exploration into health benefits for state employees. The governor is quoted as saying that "Georgia will treat its state retirees respectfully as it wrestles with how to handle an expected multibillion dollar price tag in the coming years for health care benefits." This bears watching, and we will keep you posted on any developments. If you have an opportunity to speak with anyone who has knowledge and/or influence in this area, please be sure to express concern and to pass along any pertinent information.

Annual Members to Become Life Members after Seven Years

Over 540 retirees have joined UGARA, the majority as life members at a one-time rate of \$50. At a recent UGARA Council meeting, Council members recommended that members who have joined annually for seven or more years should receive the benefit of having their annual membership converted automatically to life membership. Currently this will affect twelve long-standing members. Notice to these members will be mailed in July at the time of our annual enrollment. This change recognizes the commitment of members over a long period of time and will also reduce the administrative costs of the membership renewal process. Understanding that some may wish to continue to support UGARA through annual membership dues, anyone receiving the new life member status may, of course, opt to continue as an annual member.

Annual Retirement Benefits Review

The annual retirement benefits review was held on November 17. Marvin Marcum from Human Resources gave a very informative PowerPoint presentation. If you were not able to attend the benefits review, or if you would like to review the annual enrollment information, the PowerPoint presentation is available on the UGARA web site. Go to <http://www.uga.edu/ugara> and look under "Announcements".

December Retiree Reception

The December Retiree Reception was well attended, and all could see the new UGARA banner shown in the first photo below. Among those joining the ranks of retirees were former Senior Vice President for Finance and Administration, Hank Huckaby, and Regents Professor Emeritus and former Vice President for Instruction, Del Dunn. Provost Arnett Mace explained the value of becoming a member of UGARA, then greeted the new retirees and presented each with a certificate.

Travel Plans for 2007

The Travel Committee has been busy planning what we hope will be an interesting 2007 for UGARA members. On March 13 we have a trip to Atlanta planned to take in the Titanic Exhibit and the Louvre Exhibit at the High Museum. Details regarding this trip appear below. In early May we plan to go to South Georgia and the Okefenokee Swamp. During the summer we plan to take in a play at the North Carolina Theatre at the Flat Rock Playhouse. In the fall we are planning a trip to the North Georgia Mountains, including the new pottery museum and the Kangaroo Conservation Center. Finally, in early December we will go to Callaway Gardens for the Festival of Lights.
