Greetings from the Chair

As Fall Semester gets into full swing, we at UGARA are also back in motion with various activities planned from our hard-working committee members. Trips are being planned for our members, and a fall reception for new retirees will be held in early December (see notes in this Newsletter). We hope that you will participate in one or more of these events.

As I reflect on what has been accomplished, I am happy to try to fill the shoes of Helen Mills who was UGARA chair for the last two years. I understand this is a big challenge to meet the high standards that Helen set as a model for outstanding leadership in a volunteer organization. Fortunately there is an outstanding group of UGARA volunteers who do lots of work to support our retired UGA colleagues. Please know this group will do its best to continue the good work of the past years. All of us at UGARA wish for you a pleasant and productive autumn season. We hope to see you at the Fall Reception.

SoloSENIORS Celebrates First Birthday

SoloSENIORS met for dinner for the first time in October 2006 with four persons attending. Last month, we had 35 persons attend our monthly dinner, and we're going strong.

SoloSENIORS was founded at UGA on January 24, 2006, by Drs. Bonnie Howard and Nancy Canolty to foster interaction and networking among single professional individuals 50 years or older. There were several organizational meetings the first year with the Alumni Association and individuals interested in this organization.

The purpose of SoloSENIORS is to create a social environment that enables mature single persons to meet other singles interested in similar activities such as, but not limited to, movies, dancing, dinners, traveling, shows, and sporting events.

SoloSENIORS is an "evolving" organization. Activities in which individuals can participate with others are frequently suggested. We encourage interactions among group members by collecting information on the interests of each individual and sharing this information with other members. New friendships are formed and the horizons of members expanded.

We meet monthly (First Thursday Dinner) at a local restaurant for dinner. Information is handed out at these meetings on the interest groups and activities on campus and in Athens. We are in constant contact with members using e-mail as our primary method of distribution. If a member does not have e-mail, we have a calling committee to stay in touch.

SoloSENIORS is sponsored by the UGA Alumni Association so membership in the Alumni Association is a requirement for membership in SoloSENIORS. (You do not have to be a graduate of UGA in order to be a member of the Alumni Association.)

For more information about SoloSENIORS, please visit our website at <http://www.alumni.uga.edu/alumni/soloseniors.html> or call the Alumni Association at 705-542-0080 or 800-606-8786.
